

2009 Cobra CX50 Junior – 51cc 4-6 class

Coming off another astonishing season with championship wins at all the major amateur national events it's easy to see why the CX50 Junior is the bike to have in the 51cc 4-6 classes. 2008 brought top 10 Cobra sweeps throughout the majority of the national events including a top 17 sweep at the prestigious Loretta Lynn's Amateur Nationals. With results like these it's a no-brainer when it comes time to selecting a 4-6 class bike!

CX50^{JR}

2009 Improvements:

- All new grab handle ➔ Makes the starting line a little easier for dad or mom
- Larger radiator with inlet fins ➔ Improved cooling and more protection
- Improved CFD ➔ Longer wearing and lighter weight for reduced maintenance and improved throttle response
- Lighter flywheel ➔ Quicker throttle response
- Reduced friction primary gear ➔ More power transferred to the ground
- All new aluminum water pump impeller ➔ improved cooling and durability
- Larger Silencer ➔ Quieter with no loss of power or torque
- Updated "King style" stator cover
