

2009 Cobra C.A.R.D. CX65 – 65cc 7-11

Cobra is excited to announce a new offering to our bike lineup for 2009. Based on the already successful CX65, the CX65 C.A.R.D. (Cobra Advanced Racing Development) edition offers a truly modified option right from the factory. A stage IV engine package, rider specific suspension and trick components galore make the CX65 C.A.R.D. bike just what your little racer needs to take his/her career to the next level.

CX65
