

## 2009 Cobra CX65 – 65cc 7-11

In only its sophomore year of competition the CX65 made jaws drop pulling holeshot after holeshot all season long. Furthermore, Michael Young made history when he piloted the bike to its first national championship at the Lake Whitney Spring Classic. For 2009 Riders aboard this bike will not only benefit from riding the best handling and fastest bike on the track but they'll also look really good while they're doing it!

# CX65

### 2009 Improvements:

- Lighter weight cases
- All new transfer and exhaust port timing ⇒ Large gains in peak power and torque
- All new transfer port inlets in engine cases ⇒ smooths flow for improved power delivery
- Redesigned pipe ⇒ Smoother low end power
- Sleek looking black rims
- Beefier fork guards
- Improved chain guide and slider ⇒ Quiet and long lasting
- Stiffer clutch actuator ⇒ More consistent clutch release
- Upgraded Rear brake caliper ⇒ Longer pad life and better stopping power

**Proudly made in the U.S.A**
